

# Accessing Google Classroom for Teachers (3 Methods)

**Method 1:** Click on the Google Classroom icon. Then, click on “Google Classroom” at the bottom of the class list. You won’t have any classes in the list if you’ve never used Google Classroom before. **Make sure you’re logged in to Google Chrome.**

**Method 2:** Type [classroom.google.com](https://classroom.google.com/) on the URL line at the top of the screen.

**Method 3:** From Google Drive at drive.google.com, click on the app launcher (waffle). Scroll down and click on “Classroom.”
